

REMARKS

Applicant thanks the Patent Office for the careful attention accorded this application and respectfully requests reconsideration in view of the Amendment above and remarks set forth below.

In response to the Office Action mailed September 20, 2007, Applicant has amended Claims 13-24 to any basis for rejection under 35 U.S.C. 112.

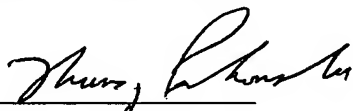

Applicant also submits herewith a Terminal Disclaimer to avoid any future double-patenting rejection in view of Applicant's U.S. Patent No. 7,283,977 B1.

In view, therefore, of the Amendment and Remarks set forth above, the present invention defined by Claims 13-24 is firmly believed to be neither anticipated by, nor rendered obvious in view of the prior art of record, and that the present application is now in condition for allowance.

Favorable action is earnestly solicited.

Respectfully submitted,

Dated: March 19, 2008
